*“Bungle Inthejungle is hardly a hidden gem, with his daughter **Winter Power** having blitzed her rivals in the Nunthorpe on Friday, but it’s worth pinpointing his current position on the upward trajectory. The Rathasker Stud-based son of **Exceed And Excel**’s first crop of 95 foals yielded 31 two-year-olds who graced a winner’s enclosure in 2018, including Molecomb Stakes scorer and Middle Park third **Rumble Inthejungle**. What I particularly like about **Bungle Inthejungle** is that he could have been forgiven for having gone quiet for a few years, as his second crop comprised 55 foals and his third crop numbered only 21. But Lowther Stakes winner **Living In The Past** emerged from that second generation and the wonderful **Winter Power** is in that tiny third cohort, along with French Listed winner and Prix Morny fourth **Acapulco Gold**.”*
