Luke Barry, Manister House Stud "Coulsty is a good looking horse whose stats looked very promising from a sireline that is making waves, and most importantly, priced right."

Derek Veitch, Ringfort Stud "I sold Coulsty as a foal, so I know he is correct and has a great temperament. He has made a great start as a stallion. He is good value for money and can upgrade a mare."

Dermot Cantillon, Tinnakill Stud "For young unproven mares our philosophy is to bred to established stallions. When we looked for value in that space there was none better than Coulsty."

John Hyland, Oghill House Stud "We used Coulsty because from a small initial book of mares he produced a Group 1 winner in Shantisara and a Princess Margaret winner in Santosha. He looks to be an exciting horse with bigger crops to come. Also, we believe that Kodiak is proving to be a sire of sires."

Ger Morrin, Pier House Stud "Coulsty is producing high quality racehorses, his stock are good looking and at his fee he is excellent value."

Con Marnane, Bansha House Stud "We are always on the look out for stallions whose stock are internationally tradeable and Coulsty fits that bill."

Cathy Grassick, Newtown Stud "Coulsty delivers on all fronts - as a son of Kodiak he throws a sharp type combined with an excellent strike rate for winners and stakes performers. With some exciting crops to come I was happy to recommend him to my clients"
